

Dog Collar Size Chart: Find the Perfect Fit for Your Pup

Getting the right collar size for your dog is more than just looks; it's about comfort and safety. A collar that's too tight can choke your dog or rub their skin raw, while one that's too loose can slip off, letting them get lost. This chart helps you pick the right size based on typical neck circumferences and breed examples. Remember, every dog is an individual, so always measure!

COLLAR SIZE ↕	NECK CIRCUMFERENCE (IN) ↕	NECK CIRCUMFERENCE (CM) ↕	TYPICAL BREEDS/DOGS ↕
X-Small (XS)	6 - 10	15 - 25	Chihuahua, Yorkshire Terrier, Teacup Breeds, Puppies
Small (S)	10 - 14	25 - 35	Maltese, Pomeranian, Jack Russell Terrier, Shih Tzu, Pug
Medium (M)	14 - 18	35 - 45	Beagle, Cocker Spaniel, French Bulldog, Corgi, Border Collie
Large (L)	18 - 22	45 - 55	Labrador Retriever, Golden Retriever, Boxer, German Shepherd, Husky
X-Large (XL)	22 - 26	55 - 65	Rottweiler, Great Dane, Mastiff, St. Bernard, Bernese Mountain Dog
XX-Large (XXL)	26 - 30	65 - 75	Very large Great Danes, Irish Wolfhound, large Mastiffs
