

## Flute Trill Chart: Master Every Ornament With This Guide

Trills are those quick, shimmering ornaments that give flute music its sparkle. They're a rapid alternation between two adjacent notes. Getting them smooth and even takes practice, and knowing the right fingerings is half the battle. This chart lays out common trills, showing you which keys to flick to make your ornaments sing. No more guessing—just clear, actionable steps for a more expressive sound. You can print this out or save the PDF for quick reference during practice sessions.
